May 2010

WWW.STUBBINGTONKARATE.CO.UK

The event is open to all Academy members and their families. The venue will be the Royal Victoria Country Park, Hamble. Sensei Rob has booked the "Oak" field on June 26th from 11am until 4pm.

Summer BBQ 2010

The BBQ will be lit from 11:30am and will remain so until everyone has cooked their food.

There will be some events for the students to take part in during the day and loads for them to do in the surroundings. All families need to bring is the food and drink they want to cook. Sensei would appreciate knowing who is potentially coming so that he has a rough idea of attendees. See you there!!

Parents Evening

Several years ago the Academy Senseis were aware of the impact the Senseis' had on the students being taught in being led by example. Based on this feel our influence could be used in ways that could further grow upstanding members of the community. Sensei Rob is planning a parents evening one Wednesday in May in which all parents from all classes can come along, listen to a brief talk about plans for the Academy and give the chance to offer any ways you'd like to see the dojo move for the future. The last time this event was conducted, the feedback was excellent and proved to develop the dojo not only as an Academy but also as a social bonding too.
