JULY 2004

沖繩剛柔流

GRADING

Well done to all those who took part in the recent grading. Overall the standard was very good but for those who didn't achieve what you wanted harder training and practise at home is a must.

STUDENTS of THE MONTH

Steven Davis gains the Cadet of the month award for May.

Gemma Truslove is awarded the Junior of the month for her continued improvements with her karate training.

Paige Cardrick is awarded the Infant trophy for her efforts and determination.

Well done to you all.

SUMMER TRAINING

That time of year is upon us all once again. I'd just like to remind parents that the club does not close throughout the holiday period. I understand that students may be absent for a few weeks, but as usual it is permitted for students to make up the missed lessons by attending extra on their return.

Cadet classes will stop as from 19th July and will resume in the first week of September. All other classes remain the same.

In order for the club to continue through the holiday, subs are still due in order to pay costs.

SENSEI AWAY.

Many of you will already know that I will be absent from the dojo between 19th July—30th July. The dojo will remain open as usual with Sensei Steve filling in for me in my absence. Please maintain the already high levels of discipline and respect during all classes as I know you will.

CENTRE MEMBERSHIPS

Would all parents please ensure that ALL students of our club are members of the Community Centre. As you are aware we do get a slightly discounted rate which we will lose if we are not members of the Centre.

Cost per year is approximately £3 for a junior which is minimal compared to the rise in rates we would have placed upon us should we not abide by the CCA rules.
