ILOGKF European Gasshuku 2007

Each year the ILOGKF (International Okinawan Goju Ryu Karate Federation—to whom the English Goju Ryu Karate Association is affiliated) holds a week long training camp for all students in Europe. This year we are hosting the event and as it is usually only held in the UK once every 10 years this is an event not to be missed. The training will be conducted by the world Chief Instructor Sensei Morio Higaonna 9th Dan and his senior instructors. There has been a morning set aside to teaching the junior community and this will be taken by Sensei Terauchi (Chief Instructor of Japan). the Junior course will be held on Saturday 21st July and is open to all juniors or Infant red belts. Further details are attached. I **MUST** have registration forms back **BEFORE 13 July** in order to secure your places. This is definitely an event not to be missed as you will see from the attached flyer. Obviously as this is a subsidised course it will be very popular too so I can't stress enough the importance of securing your place with haste. The venue also has excellent facilities for the whole family including large swimming pool with water slides etc so while students are training the rest of the family could enjoy the other facilities.

Student Performance

A slightly unusual notice this month. 3 of the dojo students' band will be performing at Walpole Park in Gosport on July 7th as part of the Gosport Youth Festival. Most students at the Academy know these 3 band members as they have all been training for some time. If you can support them at their performance I'm sure they would appreciate your moral support.

Would all parents and students be reminded that your CCA membership is now due for renewal as from August 1st 2006. It is imperative that this is made current as quickly as possible in order for the Academy to maintain it's current hall rental rate.

Forms are available at the front office however if you return your 2005/2006 card the renewal process can be made considerably easier.
