The second grading of 2008 is to take place on Sunday 22nd June in the usual hall. This grading is only relevant to Juniors and Cadets of the Academy and does not include students that attend the Infant classes.

Students should bring a clean white gi, license, refreshments, and their £15 grading fee.

The grading will start promptly so please arrive in plenty of time. As before, spectators are welcome however spaces are limited and will be on a first come first served basis. The use of photography is permitted unless there are any objections which should be made known before the grading begins.

EGKA Training Weekend—Bournemouth

The Summer EGKA training weekend will take place on Saturday 14th and Sunday 15th June at the Littledown sports centre in Bournemouth. This year there will be special classes set aside for Juniors and Cadets. Infants graded to Red Belt or Yellow white are also permitted to attend the

classes details are as follows:

The Junior course will cover all aspects of competition fighting and kata attendees need to bring mitts and shin and instep protectors (academy can supply if not owned). There will be several breaks during the training and a brief explanation of competition rules will be explained.

This course is being sponsored by EGKA in order to prepare students for the forthcoming junior southern region championships, for which you will soon receive information so cost is only £7.50 and will be from 2:00pm—4:30pm

Students testing for 1st Kyu or Black Belt will train with the adult contingent of the association. In addition all students that attend my Adult class will train with the main body of the association too.

Training will be: Saturday 12:00—4:30pm with breaks. Sunday training will be 10:00am—12:00 with the grading starting at 1:00pm. We have 8 students attending the grading this year so your support will be very welcome for those attending.
