Academy Tournament

Well done to every single student who attended this years championship. Not only was

the turn out excellent but the standard was exceptional from all competitors.

I hope you look forward to it next year as much as I do.

Sensei Paul Course 22nd & 23rd

Sensei Paul is 6th Dan and very experienced in Goju Ryu Karate. The whole weekend is divided into different courses for different ages and abilities as this should allow all students to benefit to the full *including the infants*. The poster can be seen on the Dojo notice-board as well as flyers distributed to all students. Assuming that ALL students attend, the training fees have been kept to a minimum. ***Would all students please secure your place in the respective classes as quickly as possible*** to assist with the administration side of the course.

This is the very first time I have booked a class for the Infants so attendance from this group is essential in order for me to consider running infant classes at future courses.

Training times vary and fees are approximately £4.50 and available for viewing on the flyers.

Some students can attend several classes if eligible so please check to see if you can attend more than one class!!
