## Community Centre Memberships

Would all parents and students be reminded that your CCA membership is now due for renewal as from August 1st 2006. It is imperative that this is made current as quickly as possible in order for the Academy to maintain it's current hall rental rate.

Forms are available at the front office however if you return your 2005/2006 card the renewal process can be made considerably easier.

## Hall Disruptions

Many of you are aware that there is bomb disposal activities taking place locally. As a result of this we will be holding all our usual Wednesday classes in the main Sports Hall until this has been completed. Unfortunately the hall is not ideal due to the floor and the echo that goes with a large enclosed area but the alternative was to close the Academy until it had finished which I considered unacceptable. There is still a further 3 weeks remaining so your understanding is very much appreciated.

## Wednesday Infant & Junior Classes

I have noticed that the Wednesday "swap over" period at the end of the Infant class and the beginning of the Junior session has become more disorganized in recent months. When we return to our usual hall I'd like parents waiting to collect students to wait outside the foyer adjacent to the hall and for all Junior students to wait (sensibly and quietly) in the corridor leading to the Main Sports Hall until one of the Instructors comes to collect you. This will allow the little ones to vacate the dojo, collect their shoes etc and easily be able to see their parents. I'd also like to ask parents with students in the Infant class to remind them that if they can't see their parents from the foyer then they are to return back into the hall and wait with Sensei Rob until you arrive. I'm hoping that this will ease congestion and make life a little easier for all those who come to the dojo on a Wednesday.
