## IOGKF European Gasshuku 2007

The Gasshuku was very well attended by students from the Stubbington dojo and the general feedback was that it was an excellent event and enjoyed by all, especially the Infant attendees. I know that Sensei Terauchi was very impressed with the standard of the young ones and looks forward to teaching them again in the future.

## Summer Training

Well done to all students who attended classes throughout the summer holiday. I know you all enjoyed the sword training as much as the Instructors did!! Well done once again for taking the time and effort to train. Might I remind parents that in cases where fees are still outstanding, August training fees are still due similarly as in previous years to cover rent and other overheads that remain in place throughout. Thank you for your understanding.

Would all parents and students be reminded that your CCA membership is now due for renewal as from August 1st 2007. It is imperative that this is made current as quickly as possible in order for the Academy to maintain it's current hall rental rate.

Forms are available at the front office however if you return your 2005/2006 card the renewal process can be made considerably easier.
