Dojo Badges

We will be issuing new Gi badges shortly. These will replace the badge we currently have on our Gis and will be sent out with licence renewals (as well as new license books) as they come up for renewal. Any students that currently do not have a licence will get the new badge on their first application.

Parents Have -A-Go Day

I have been asked if it is possible to stage a one off "have-a-go" class for parents (and friends of parents) on a Saturday for a couple of hours. The feeling is that this will allow parents to gain a better understanding of what we teach students. I am happy to accommodate and will subsidise the training which will keep the cost to a minimum (maybe £4 for a 2 hours class). The class will be informal but will cover some basic Karate as well as some self defence, therefore appropriate attire (gym kit) is recommended.

In order for me to go ahead and book a hall I'm keen to know how many people are interested. If this something you think you'd like me to schedule, could you please drop me a mail or verbally confirm and I'll add you to the list. Obviously we're limited to spaces so this will be first come first served.
